Natural Hair Oil

Nourishes . Moisturizes . Restore strength
Reduce Frizz . Provide Shine

MACADAMIA OIL
For brittle & Dehydrated Hair
100ml

This non-greasy Macadamia Hair Oil with its moisturizing properties helps to make your hair healthy, soft, and thicker. It nourishes hair follicles, which in turn fights off loss and brittle strands. Macadamia Oil is great for reducing hair frizz, tangles, and dullness, leaving the hair smoother and shinier over time

ARGAN OIL
For dull & Frizzy Hair
100ml

This hair oil with Argan Oil is ideal to restore shine to dull and lifeless hair. With its high content of antioxidants, fatty acids, and vitamin E, Argan oil works on nourishing the hair and increasing its elasticity, making less prone to breakage. It is an amazing detangler, seals split ends, and smoothes frizz.

OLIVE OIL
For dull & Frizzy Hair
100ml

This natural hair oil with Extra Virgin Pure Olive Oil is an ideal choice for moisturizing your hair and improving blood circulation in your scalp. Beneficial for dry, smooth, thick and long hair. It strengthens hair and nourishes it deeply, leaving it soft, shiny, and protected from breakage.

COCONUT OIL
For Damaged & Coarse Hair
100ml

This Coconut Hair Oil is ideal to soften and condition the hair. It helps lock in moisture, giving a gorgeous shine and softness. It reduces hair breakage and split ends. In addition, it has vitamins and essential fatty acids that nurtures smooth, thick and long hair

COLLAGEN & SWEET ALMOND OIL
For Weak & Falling Hair
100ml

This Collagen & Sweet Almond Hair Oil Promotes hair growth and strengthens hair. It controls dandruff.
